

VULTURES DAY 2023

Sponsorship Proposal

VERMONT VULTURES
BASKETBALL CLUB

The Inaugural Vultures Day

Vermont Vultures has a long history of promoting junior basketball for boys and girls in the Vermont and surrounding areas of the eastern suburbs of Melbourne.

We provide opportunities for training, improvement in skills, and competition in an enjoyable environment. We promote and instill a culture of pride, dedication and respect within the basketball and wider community. Vermont Vultures is a domestic club of the Melbourne East Basketball Association (MEBA Inc.) – an affiliated association of Basketball Victoria, the peak governing body for basketball in Victoria, Australia. We field teams in both the Midweek and Saturday Junior Domestic Competitions in all levels from Under 8s upwards and have more than 100 teams making us one of the largest clubs in our region.

For the first time since the club's inception, the Committee (made up of volunteers) have decided to hold a family fun day on Sunday, September 10, known as Vultures Day. We hope to have this as an annual event moving forward as a day for our community to come together to celebrate their achievements on and off the court.

With over 100 teams averaging 7 players per team, we are expecting over 500 players and their families to attend this fun-filled day.

Our Vultures Day will be held at Nunawading Basketball Stadium and will include our end of season awards presentations, shooting and other on court competitions as well as a trade area where sponsors can set up a trade booth to promote their business to our families.

In addition, we will have an MC to bring extra hype to the day, guest speakers including WNBL and NBL players past and present, roving entertainment, face painters and more. We will also be unveiling our new Club mascot! The first of its kind in domestic basketball in the eastern suburbs!

In this proposal, we have used visuals to show how your company can benefit by supporting our community event including on court signage, displays on the venues super screen and TVs, logos on our flyers and social media exposure.

We thank you for your time and consideration.
